# Weird Tales

A dramatic illustration in a classic pulp magazine style. A large, dark, winged figure with a pale, skeletal face and long, thin arms reaches down from the upper right. The figure's wings are large and bat-like. In the lower left, a man and a woman are shown in a moment of intimacy; the man is embracing the woman from behind. The woman is looking up towards the winged figure with a look of alarm or awe. The background is a soft, hazy landscape with a blue sky and a pinkish horizon. The overall tone is mysterious and horror-themed.
